# All Aboard The Community Transporter

## Your Bus Driver And Road Rules

There are a number of misunderstandings as to the role of the Village to Village shuttle bus and the bus drivers are facing a daily challenge of people trying to hail the bus at any point along the route.

The Village to Village shuttle operates exactly on the same principal as an STA public transport service and thus it stops **ONLY** on the designated bus stops. These stops have been authorised by City of Sydney Transport planners and engineers. They have been planned with the safety of passengers, drivers and other road users in mind.

In March we have made improvements to the **Broadway 'Village to Village' shuttle service** to ensure that all drivers and passengers know exactly where the designated bus stops are and thus reduce confusion and illegal stopping.

The bus will only stop where there is an **existing STA bus zone** or where there is a **yellow timetable holder** with the Village to Village timetable inserted.

There have been some changes made to the location of some of the bus stops on the Broadway service.

1. A change to the zone on the driveway at the QE11 rehab centre (at RPA) from No Parking to No Stopping will mean that we no longer stop there. We will let passengers off at the STA bus stop before the QE11, a short walk downhill.
2. The bus stop at the Salvos driveway has been moved up to the new driveway at the back of Redfern School and there is a second pick up point in a large driveway to units between George and Pitt Street.

In future please do not depend on the good nature of the driver and ask him to break the law for your personal convenience. The bus driver must obey the road rules or risk his driving licence and thus his job .

If you are unable to access the Village to Village bus stops because of limited mobility or you need assistance on and off the vehicle, South Sydney Community Transport can provide you with other services that are door to door . Please call us on 9319 4439 if you require these shopping bus or medical transport services and we will be pleased to help. Thank you for your understanding on this matter and for supporting your dear bus driver as he carries out his duties.

## Revised shopping bus timetable

### Taxi Voucher Pilot for Residents of Redfern and Waterloo .

**Good News** for the frail aged and younger people with disabilities and their carers who live in Redfern and Waterloo who need transport assistance to access appointments and services.

South Sydney can now offer you a subsidized taxi service outside of business hours and when we can't assist you during the week because we are fully booked.

#### How to use the new service:

- If you live in Redfern or Waterloo
- Ring the office as usual and ask Rufina to make a booking for you.
- Give the details of the time, day and destination and based on your mobility she will either offer you 2 vouchers with a value of \$10.00 each or a seat on our regular service.
- These vouchers will be sent out to you or if you live nearby you may pick them up from the office.

#### You then have three responsibilities

1. Ring or hail the taxi service.
2. Pay the balance of the taxi fare
3. Give feedback to Rufina or Janet on the quality of the service.
