All Aboard The Community Transporter

Have You Been Shopping lately?

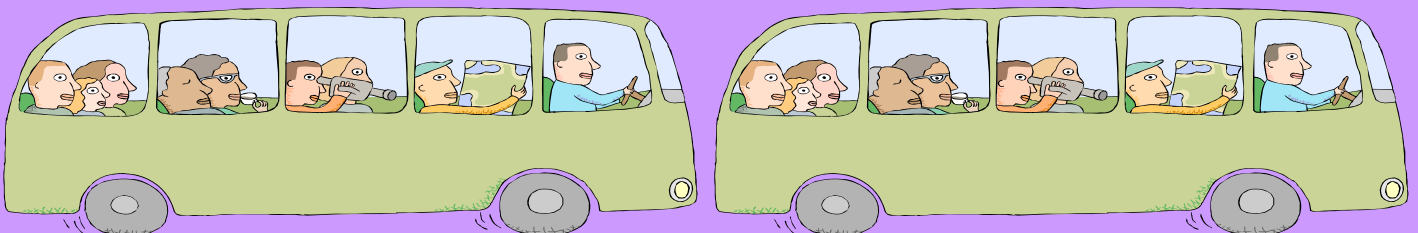

January has been a busy time for SSCT and its clients. All the shopping trips except for Surry Hills shopper have been redesigned and the agency is now providing shopping trips every day of the week. We have 58 new shoppers who have transferred from the City of Sydney Shopping services and 13 new shoppers whom we met through our community consultation process.

We have made a few extra changes since last months newsletter including:

- A destination change for the Pymont Ultimo Group (PUG) shopper. This service now goes to leichhardt and Broadway each week at 9:00am and the Paddy's run at 10:00am.
- Changed the name of the Blink service to the Eastlakes Shuttle. This service runs 4 times a day each Wednesday and is for clients who don't yet require a door to door service, but need help getting on and off the vehicle. Clients who use mobility aids such as walking sticks or frames and need help taking the shopping into their homes will be referred to the South Sydney shopper.
- The most significant changes have occurred on the South Sydney Shopper. There are now three runs on each service and clients are picked up according to where they live. Pick up times are 8:00am, 9:00am and 10:30am.
- We also welcome Michael, a new driver to replace our senior driver Joe who will be on sick leave for 6 weeks. Michael has bravely taken up the challenge, everything is new for him, and he is doing a wonderful job.

We would like to apologise for any inconvenience and delays in service provision that occurred in January. Jenny the bus Coordinator, will be travelling on all of the services over the next few weeks to check how well the new services are operating.

Please ring us on 9319 4439 to ask any questions or air your concerns regarding the current provision of shopping bus services.

Access Buses

During our consultations many of our clients expressed a need for a service like the Village to Village to operate in their area.

Later in the year we hope to commence our two new access buses. These buses aim to provide access to hospitals, medical facilities, council activity centres, swimming pools and local shops.

In February and March we will be holding two consultations regarding the route design of the two new access bus services.

The First will be with residents in Ultimo, Pyrmont, Millers Point and The Rocks.

The Second with Alexandria , Erskineville and Newtown residents.

SSCT will send out invitations to all its clients living in these suburbs next month to discuss a draft route design.

Village to Village Shuttle Bus

The City of Sydney has very generously funded SSCT to run the Village to Village service for another year on Thursday and Friday of each week.

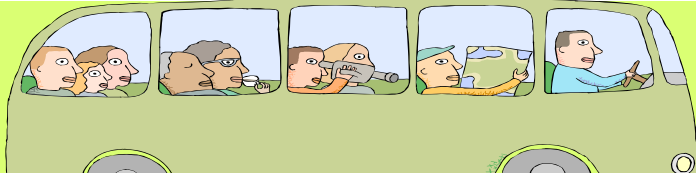

There are no changes to the Broadway service but the Woolloomooloo service will now drop into Onslow avenue to pick up residents affected by the cut backs to the 311 STA bus service.

Services for Clients by Geographic Area

All Shopping Services will continue to be provided free or by gold Coin donation.

SSCT will review its fees policy in July in respect to the new Access services
