All Aboard The Community Transporter

Shopping, Shopping and more Shopping...

The Redesigned Shopping Services will:

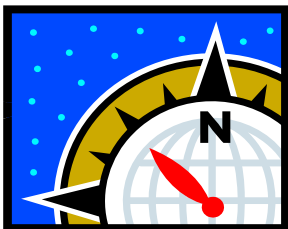

- offer better coverage for shopping services across the City of Sydney
- offer more opportunities to better meet our clients' transport needs for shopping
- stop duplication with other service providers.

What the new shopping services will look like:

SSCT has divided the city into 7 areas and each area will have two services:

A weekly **Shopping service** (a 'Shopper') which provides a door to door service and a bus assistant for clients who need help getting shopping on and off the bus and into the home.

A weekly **Access service** which will provide a quick shopping / access service to shops and other venues in the area (e.g. Pool, RPA). These trips will have a set route and timetabled pick up points at key locations in the community. There will be some flexibility for clients to choose the return time on these buses.

A table on page two of this newsletter explains the service provision by geographical area. Check column one for the suburb where you live and in column two of that row for your new services.

It is very important that you check both the table on page 2 and the Bus Calendar on page 3 because some of the existing shopping services will be provided on different days. This will enable SSCT and the City of Sydney shopping services to merge.

Please call us on **9319 4439** if you have any concerns or questions

Existing shoppers will receive a letter explaining the changes in detail.

JENNY IN THE OFFICE WILL CALL AND CONFIRM YOUR TIME BEFORE YOUR FIRST SHOP
