## Best Christmas Party ever!

Last year's Christmas party was a huge success! It was bigger than ever and everybody had a really enjoyable time. The food was superb and the dancing was in full swing as everyone pulled out their dancing shoes and boogied on down.

Among the prizes won:

Dulcie's Christmas hamper, full of a month's supply of household groceries, was won by Margaret King. The much admired hand made bed spread donated by Pat Martin was won by Olive Clarke and the gourmet hamper was won by Dorothy O'Connor.

In fact, I believe that we had some dancing professionals among us!

Our bus drivers Peter, Enzo and Yue had all the right moves and certainly showed us how it's done!

On behalf of all the staff and committee at SSCT, we thank you for coming to last year's Christmas Party. We had a lovely day and it's thanks to our clients. We sincerely hope to see you all at this year's party too!

## Service News

■ **THE CHINA TOWN LINE** started on the 15th January 2009. This shopping bus service for the Chinese community will go to Haymarket every week on a Thursday. It picks up from home with a drop off and pick up at Campbell street, the bus stop we use for the village to village shuttle service. A bus driver and bus assistant who speak Mandarin and Cantonese have been employed to assist passengers with any transport questions and provide help with lifting shopping on and off the bus and into your home if required.

There are three outgoing bus runs: 9am, 10am or 11am

The return bus runs from Haymarket 11:30am, 12:45pm or 1:30pm.

To be eligible to use this service you must be from the Chinese community and have a mobility problem which makes it difficult for you to get to the shops on your own.

To use the service, you must book a seat on the bus because there are only 14 seats available for each trip. Once you have booked your seat, you will only need to tell us if you don't want to go on the bus that particular week.

*\* The service is currently full but please ring to lodge your interest as we may be able to put on another run.*

### ■ **SHUTTLE SERVICE TO PRINCE OF WALES HOSPITAL**

In February we will be running a new HACC bus service to the Prince Of Wales (POW) Hospital. This service will run for three months in order to gauge whether people would use it.

It is a shuttle bus that goes from Redfern/Waterloo to POW via Eastlakes shops but it will be able to deviate from its route up to one kilometre in order to pick up people from a location closer to their home or drop you off to a requested destination.

The service can go for example via the homemaker shops in O'Riordan Street, Gardens R Us, Kingsford Roundabout or a medical centre on route.

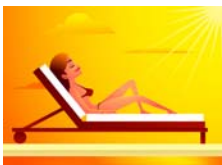

- This service will run on a Monday and Wednesday starting at 8am.
- The cost of using this service will be one dollar.
- To use this service you will need to book a seat on the bus by calling the office during office hours (9am-5pm).
- For more information or if you have suggestions please call Jane as the service is still in design mode.
