Thank You Shoppers

Dear Shoppers,

I would like to thank you all for your patience during our period of expansion.

We have taken on an extra 111 clients and there are a few more people to come on board from the council shopping services that used to run in Millers Point and Pyrmont.

The time tables are still under construction as some services have yet to move to a three run per day service, so unfortunately I cannot publish a final version this month.

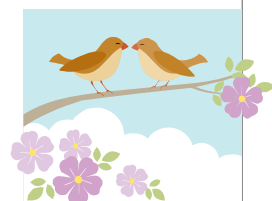

I have been out visiting the activity centres, showing the SSCT DVD and getting feedback from the clients on each shopping service. These consultations have also led to small changes.

I urge you all to please call me in the office if you have any concerns regarding timetabling as I will be producing the final timetable for the April newsletter and will not want to cause clients any further disruption.

The start time for the Point to Point and ERAND has been delayed as we need to ensure that our current services are settled before engaging in new services.

I hope that your patience can extend for a few more weeks, as we have nearly turned the corner.

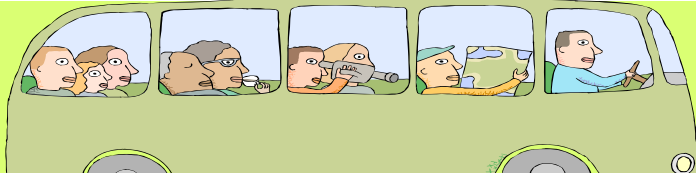

Kind Regards,
Jane
