Shopping Review

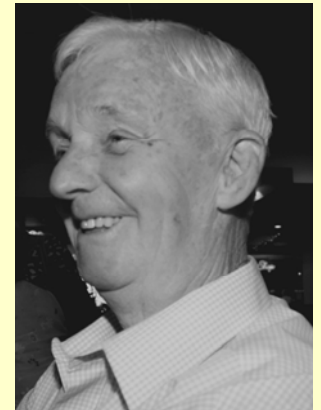

We have now completed our review of the shopping services. Thank you to everyone who filled out the surveys and who came to the community consultations. Janet Green who facilitated the consultations will now provide an independent report for us which will analyse our existing services and help us to prioritise the requests for new services.

The community consultations were very interesting many people liked what we were already providing and some people wanted to shop six days a week.

We also identified some new services for people that live in Millers Point, Ultimo and the Alexandria /Erskineville area. So Jenny and I will have an exciting couple of months developing the new services and producing a new timetable of bus services which will commence in January 2010.

30th Birthday Party & AGM

On the 17th November, SSCT will be holding its 30th Birthday celebration at the Australian Technology Park, Eveleigh. We will be catering for 300 guests only, so when you receive your invitation it will be very important to call us and book your seat as soon as possible. Members of SSCT will have received an invitation in the post — we certainly hope you can make it.

On the day there will be entertainment, the premier of 'SSCT: The Movie', speeches and the Annual General Meeting (AGM).

Because it will be a big celebration, we would like all of our members, staff and colleagues to attend, so the SSCT office will be shut that day and our transport services will **not** be operating. However, transport to and from the party will be available. If you require transport to the party please call the office 9319 4439 to let us know.

SSCT: The Movie - Production dates

As mentioned in last month's newsletter, a movie is being made to commemorate SSCT's 30th Anniversary. Production for the film has begun and will take place over the next two weeks and the crew will be filming on a number of our services. Below are the dates that the film crew will be out and about and on which services they will be on that day. If you do not wish to be filmed, please let us know at the office by calling 9319 4439—otherwise put on your best lippie for your cameo appearance!

Production Dates:

Thursday 8th October—Services filming will be on: The China Town Line and the Village to Village shuttle bus (Woolloomooloo to Redfern service) There will also be some extra filming done at Poet's Corner, Redfern.

Saturday 10th October—Services filming will be on: Russian Social Outing group "Mechta"

Tuesday 13th October—Services filming will be on: Individual Medical Transport services, and on the Assisted Shopping Project.

There will also be some filming done on one of the shopping bus runs—however a date and which run has yet to be decided.
